PRICE LIST — Fall 1953 - Spring 1954

Kendall's Gladiolus Gardens are one of the largest producers of Gladiolus bulbs in Oregon. Our bulbs are renowned for their unexcelled blooms—color and size—grown without irrigation in the most ideal district for producing the very best quality. High crowned. All bulbs are treated against Thrip.

When our bulbs are harvested, they are stored in a most modern air-conditioned warehouse, insuring perfect conditions for the curing process which produces a bulb of superior strength and retains its original quality.
